

*Announcing the opening of
Cedarbrook's neighborhood cafe!!!
serving organic coffee and espresso*

Beginning **June 7**th, the Cedarbrook tradition will continue by opening the Cedarbrook Garden Cafe. We will offer a lunch menu of quality ingredients, and thoughtful combinations that feature the bounty and natural goodness of what Cedarbrook Lavender and Herb Farm grows in its many gardens.

We're excited to announce that Cedarbrook Garden Café will also be open in the mornings as a casual and relaxing place to sit down with a cappuccino, a fresh pastry, the morning paper, and your favorite walking buddy. Or, take a drink to go and stroll through our gardens to ensure a calm, refreshing start to your day.

In a time when the world seems to be speeding up, we invite you to slow down and enjoy everything that surrounds you. We pride ourselves on serving you simple but thoughtful dishes and the perfect cup of organic coffee. Your discerning taste for the finest in espresso and coffee will be satisfied here.

In order to make certain we are fulfilling your needs in a neighborhood café, we want to hear what you'd like. Please feel free to email us and give us your suggestions in terms of

- Your favorite lunch item, breakfast treat, and coffee drink,
- Your ideas of a relaxing, garden environment,
- Times of day you'd be most likely to come in for lunch or a cup of coffee,
- And any other suggestions that the Cedarbrook Garden Café and Coffeehouse or the Cedarbrook Lavender and Herb Farm can offer to make our neighborhood a more connected and satisfying place to live.

Please email us at cedarbrookgardencafe@olypen.com with your suggestions.

Thank you and take care! Sincerely,

The Stachurski Family
